Rotate the Pride flag with other flags, even though I am a member of the LGBT community.

Keep all that are currently flying, including the Pride Flag, and add a "Unity Flag" also.

It's just go to hear that you are concerned and that you are reaching out. I'm sure any additional representation will do just fine. We all just want to visit you again soon!

Why have events or flags that will add division? Just have the CA flag and USA flag.

It's nice that you want to fly a flag, but actions speak louder than flags. Try to include more diverse groups in your events, schedule more cultural events and actually accomplish something besides buying a flag.

You are never going to be able to make everyone happy. I have seen improvement over the years for the OCFEC in becoming more welcoming and accepting of diverse community groups. Keep up the good work!

Good luck! There's no way to please everyone! However, during these times, I feel it is important to highlight groups that have historically been abused and repressed.

Add to events calendar; special Multicultural events, as you do with Scottish Festival, etc.

I am sure anything you come with will be great.

Start small and grow as new thoughts and ideas are created each year

LGBTQ market & performance event. Food, art, drag queen shows, etc...

Not at this time

Be considerate to all cultures and not just special interests.

We are naturally diverse and get along fine. We don't need contrived reminders to force the issue. All of that looks ingenuine. Diversity doesn't need to be celebrated - it just needs to be left to "be".

USA and state flag covers all!

none

Irvine does a world day festival. It would be great if the OC Fair hosted one. But I love that you have the OC Night Market, The Tet Festival and Japanese Festivals. You bring diverse events for people to attend
